After years churning out schlock for television, Rudy Benedict is afraid his job will kill him if he doesnt leave Hollywood soon. Hes wrong. Hell make it all the way to New York before he dies. After a few weeks of fruitless work on his new play – an expose of Hollywoods seamy underbelly – Rudy is found dead on the floor of his apartment, poisoned. The cops are baffled. Who would bother killing someone with so little talent? At first, it looks like the real target was Kelly Ingram, a gorgeous actress on the verge of her big break, but NYPD detective Marian Larch isnt convinced. Looking for answers, the two women reach out to Rudys mother for help unraveling the mystery – but Mrs. Benedict may have an appetite for murder. The Renewable Virgin is the 1st book in the Marian Larch Mysteries, but you may enjoy reading the series in any order.
