

A Death in the Family (Penguin Modern Classics)

On a sultry summer night in 1915, Jay Follet leaves his house in Knoxville, Tennessee, to tend to his father, whom he believes is dying. The summons turns out to be a false alarm, but on his way back to his family, Jay has a car accident and is killed instantly. Dancing back and forth in time and braiding the viewpoints of Jays wife, brother, and young son, Rufus, Agee creates an overwhelming powerful novel of innocence, tenderness, and loss that should be read for the sheer music of its prose.
