

Aliens Omnibus, Vol. 1

Dark Horse Comics took the industry by storm with its release of *Aliens*, a comics series that for the first time captured the power of film source material and expanded its universe in a way that fans applauded worldwide. Now, the first three Dark Horse *Aliens* series *Outbreak*, *Nightmare Asylum* and *Female War* are collected in a value-priced, quality-format omnibus, featuring nearly 400 story pages in full color. Written by screen and television scribe Mark Verheiden (*The Mask*, *Battlestar Gallactica*) and illustrated with consummate skill by Mark A. Nelson, Den Beauvais and Sam Kieth, *Aliens Omnibus Volume 1* is an essential piece of the *Aliens* mythos and a great entry point into the storied Dark Horse *Aliens* library.

Editorial Reviews. About the Author. Mark Verheiden is currently a producer on the Netflix series *Daredevil*. His previous TV work includes *Hemlock Grove*.
