

An Honorable Woman (Mills & Boon M&B)

Honor meant everything to Cam Anderson. And as commanding officer on her latest mission, she finally had a chance to prove herself. But the moment she met Officer Gus Morales, she knew she was in trouble. For the men under Guss command weren't used to taking orders from a woman. And Cam wasn't used to the paralyzing attraction she felt for Gus. The ruggedly handsome soldier made her feel things a commander shouldn't feel. Made her want things no honorable woman should want. Now Cam faced her greatest challenge yet: Could she stand strong in the face of danger and still yield to the desires of her heart?
