

Have you ever wanted to visit Book of Mormon lands? Join travelers Daniel Johnson, Jared Cooper, and Derek Gasser as they explore Mesoamerica and compare archeological records to the Book of Mormon accounts. Discover which sites are easily accessible and which are not, as well as how to get there and what to look for. At each site, the authors explain how archeology may tie the site to events in the Book of Mormon. From Guatemala to Mexico to Honduras, explore the Mayan cities tucked away in the jungles and mountains of Mesoamerica - some well known, others not. Discover the true history of these ancient cultures according to recent archeological findings, and see what exciting and little-known similarities to the Book of Mormon accounts can be found upon closer inspection. Extensively researched and filled with detailed color photographs, An LDS Guide to Mesoamerica contains the latest mainstream archeological opinions. For the first time, this information has been brought together and organized on a site-by-site basis so that whether you are at home or out in the jungles of Mesoamerica, you will find yourself on a successful, inspirational, and unforgettable journey.
