

Lebanon (Odyssey Illustrated Guides)

Strategically located on the eastern shores of the Mediterranean, Lebanon has been attracting visitors for over 4,000 years. Originally its verdant hillsides and navigable coastline spawned the Phoenician nation that dominated maritime trade in the ancient world around the first millennium BC. Later, Greeks, Romans and Crusaders all used the diminutive country as a stepping stone to the East. Trade continued, as did conquest, and the Lebanese people throughout the centuries became increasingly diverse in culture and beliefs. In more recent times, religious differences led to civil war and the country was, for a while, off limits. With tensions today in the Middle East slowly easing, Lebanon once again welcomes visitors to enjoy its colorful past and hospitable present.

- * Chronicles the fascinating history of a nation, and explores ancient sites set in picturesque surroundings
- * Useful maps and advice for getting around
- * Colorful photography capturing the Lebanese experience through its people and their heritage
- * 52 color photographs and illustrations, 12 color maps
