Ski and Snowboard: Off Piste, On Piste and Apres Piste. Why you should stock this book? A leaning towards extreme skiing means our criteria measures both off piste, on piste and back-country. It is a unique European resorts book for individual planners who are the fastest-growing part of the market. Pat and Vanessa are a very attractive couple and have enormous goodwill in the skiing world and media. It has a guaranteed TV and radio publicity and guaranteed ski world promotion for a beautiful-looking book. Why your customers will buy this book? The pictures and graphics stimulate the need-to-be-there feeling. The authors are photographers themselves but well in with the professionals too. The book is stunning. This is the only European guide to tell you everything you need to know about the snow, the pistes, off-piste, back-country and eating on the mountains. With details on how to get there, and how to get around the hotels, chalets and restaurants, it includes the apres-ski bar scene and a clubbing guide. It is a unique book by the most influential and knowledgeable people in the industry.
