

After a steamy reunion with Jack, and taking much-needed time to rest her leg, Raine begins to feel the painful throes of guilt for her brief fling with Jacy. After Jack comes home from work ecstatic, however, announcing that he's found the perfect place within the forest to pursue his corporate dream of building an exotic resort for the rich and famous, she can't believe what she's hearing! Recognizing that Jacy and his fellow tribesmen are to be cruelly torn from the forest they call home, Raine works to sabotage her own boyfriend's plan. She heads back to the forest, and soon comes face to face with a pack of wolves, as well as Jacy himself; can she save their hallowed forest and ancestral homeland in time? And will this tribe of insular shapeshifters even trust a mere outsider? Raine must appeal to Jacy's heart, not to mention his head... This steamy 17,000 word novelette is the second book of Ana Meadows' thrilling paranormal erotic romance series, *Untamed*. Intended for an adult audience, this enthralling tale follows a young woman, seeking inspiration and relaxation from the deep, picturesque landscape, who is about to discover that the forest, and the Native Americans who inhabit it, are not as simple and straightforward as they appear; her boyfriend, determined to mould her in an image he desires, and a gorgeous, shapeshifter motorcyclist, desperate to save Raine from more than just a bear's claws.
