

# Connecting Design to Stitch

In this practical guide by award-winning quilt artist Sandra Meech, you'll explore the elements of design and how they relate to quilting and fiber art. Through a series of exercises, observations, and analyses, learn how to incorporate basic design principles into your work creatively and confidently. Study various design styles and approaches from fine art, nature, graphic design, and the world of textiles. With Sandra's expert guidance, you'll become more comfortable with new textures, techniques, and compositions as you fill your own signature sketchbook with ideas and inspiration. Includes over 150 inspirational images from the world's best quilt and textile artists
