

I have tried to put to paper words from my mind and my heart of a sixty plus day trip from San Antonio, Texas to Costa Rica with two special friends. I had been acquainted with these guys for some twenty years or so. I learned that we really don't know or understand each other until one is locked up with the other and are confronted with each other's idiosyncrasies. The thoughts of my mind wander around and are put to paper. They come from a heart that has been trampled on and being released to a new beginning. There are adult descriptions and language. You may find them interesting or you may not.
