

Travellers Croatia, 3rd (Travellers - Thomas Cook)

If there were ingredients to create the perfect holiday destination, they might well include hours of sunshine, a tapestry of landscapes, carefree relaxation, epochs of history, an accumulation of culture, plenty of activities, a warm welcome and a touch of spice! Of course, the ideal holiday is a matter of taste a little extra relaxation for some, more sightseeing for others but it is fair to say that the recipes for most locations are weighted: a city towards museums and a Caribbean island towards beaches, for example. However, Croatia has each of the ingredients for that perfect break in abundance. It is one of the most versatile destinations around, and long hot summer days provide the ideal backdrop to whatever you plan to do whether nothing at all or lots.
