

The Bahamas Cruising Guide: With the Turks and Caicos Islands

A thorough explanation of local geography, climate, weather, and navigation techniques for sailors is offered in this comprehensive guide to the Bahamas and the Turks and Caicos islands. Tips for planning a cruise, detailed descriptions of the wildlife history of the area, and practical advice for sailing such as entry requirements, currency exchange, and search-and-rescue services are included. Each important area of the Bahamas is reviewed with routes, headings, distances, and full waypoint lists provided. Also noted are things-to-do lists, an easy-to-use reference index, and shore-side information with accompanying street maps for each destination.
