If you see one of these in the forest, who will be more surprised? This journal has an adorable skunk on the cover - I was in his or her home, so I couldn't blame it for anything it might do after we met. He/she did not do anything, we each just went on our merry way, after our paths crossed. Here is a journal perfect for writing all about your forest encounters, and what a wonderful gift this journal is for any skunk or forest lover! 120 pages 5.5 x 8.5
