Suffering from courtroom burnout, attorney Ben Kincaid heads to the picturesque Pacific Northwest for some much-needed R and R. But Bens blissful getaway becomes a busmans holiday in the small town of Magic Valley, where a pitched battle between the local logging industry and crusading conservationists has led to brutal murder. Years earlier, professional activist George Zakin was successfully defended against a charge of murder by a fledgling attorney named Ben Kincaid. Now, accused of viciously killing a lumberjack, Zakin is counting on Ben to duplicate that long-ago courtroom coup. With the odds stacked against him, Ben walks into a war zone in the courtroom ... and a potential killing field in Magic Valley, an explosive place where allies and enemies are hard to tell apart--and digging for the truth is as good as digging your grave.
