

Daughter of the Blood (Black Jewels, Book 1)

Seven hundred years ago, a Black Widow witch saw an ancient prophecy come to life in her web of dreams and visions. Now the Dark Kingdom readies itself for the arrival of its Queen, a Witch who will wield more power than even the High Lord of Hell himself. But she is still young, still open to influence-and corruption. Whoever controls the Queen controls the darkness. Three men-sworn enemies-know this. And they know the power that hides behind the blue eyes of an innocent young girl. And so begins a ruthless game of politics and intrigue, magic and betrayal, where the weapons are hate and love-and the prize could be terrible beyond imagining...
