

Disillusioned

Anthony (Ant) Caldwell grew up in the Ezra Prentice Homes, in the south end section of Albany, New York. Inspired by the usual unsavory characters in the hood, Ant grew up fast and hard - learning all the wrong lessons along the way. Introduced to sex at an extremely early age, Ant falls victim to a lifestyle of lies, deceit and betrayal - yet embraces it. Getting jilted by the love of his (young) life, Ant unapologetically adopts an I dont give a fuck attitude towards women. Will Ant change his ways after meeting Miss Right? Will he disregard what the streets have taught him and treat her like a queen - or will he dog her out like hes done the many females before her? Raised in the church, Ant attempts to regain the spirituality instilled in him by his loving mother, but old habits die hard. What will it take for Ant to straighten up and fly right? The death of two of his people? His own near death experience? Maybe he never gets it! Ants sick and twisted journey will keep you second guessing yourself: wondering, laughing, crying, hoping and praying on the edge of your seat!
