

Divers and Travellers Maldives Map: Northern and Southern Atolls (English and Russian Edition)

This newmap includes underwater maps of Protected Marine Areas of the Northern and Southern Atolls of the Maldives. It has detailed, enlarged sections of all tourist atolls and clearly shows the location of resorts, divesites, shipwrecks, surfinglocations and historical sites. A comprehensive guide to the Maldives Archipelago, this map is essential to divers, travellers and sailors exploring the atolls of the Maldives. Written by Tim Godfrey and published by Atoll Editions, this map is the first of the Maldives Maps range to feature the Northern and Southern Atolls. The detailed and aesthetic cartography is by Country Cartographics. Available in English with subtitles in Russian, Chinese, and Japanese. A map of the Central Atolls is also available.
