

Donald Duck Adventures, Barks/Rosa Collection, Vol. 3: The Golden Helmet/The Lost Charts of Columbus

It's the third in a new series of Gemstone trade paperbacks pairing Carl Barks classic Duck adventures with Don Rosas modern-day sequels! In *The Golden Helmet*, Donald battles evil Azure Blue and Lawyer Sharky for possession of a relic that makes its owner king of North America! Then, in Don Rosas follow-up, both the *Helmet* and *The Lost Charts of Columbus* switch hands between Donald, Blue, Sharky... and show-off cousin Gladstone Gander!
