

## Allison the Dancer

Allison loved to dance more than anything in the entire world. Every single day, whenever she could, she would dance throughout the house. She didn't even need any music to dance! She just listened to the music playing inside her mind. Hey Mom, look at me! Watch me! Allison would shout as she twirled down the staircase. Don't you think I'm doing a good job? Of course you are, her mother replied. I think you're good enough to join a dance class. Allison thought about that for a moment. Joining a dance class sounded like a great idea, she decided. She could meet other kids like her who loved to dance!
