

Superbly rendered illustrations, adapted from Godeys Ladys Book, a rare nineteenth-century fashion magazine, provide authentic views of evolving Victorian modes of apparel — from lace-edged necklines and elongated bodices to fitted bonnets and extravagant bustles. Thirty ready-to-color illustrations depict lavish dresses and gowns of velvet and damask; smart riding outfits trimmed with braid and gilt; an elegant cashmere shawl, childrens outfits; as well as hair ornaments, footwear, and other accessories. A lovely collection that offers an authentic glimpse of what well-dressed ladies and youngsters of the Victorian era were wearing, this is a must-have for coloring book fans, costume designers, and cultural historians.
