

Gone Country: Rough Riders Series, Book 14

Shes a little bit country, and hes...not. Rough Riders, Book 14. Arizona businessman and long-lost McKay love child Gavin Daniels has been awarded sole custody of his teenage daughter Sierra for one year. In order to steer Sierra back on track after a brush with the law, he pulls up stakes and heads to Wyoming, looking for support from his ranching family - even if he isnt sure where they fit in the McKay dynamic. Hes prepared for every contingency with the move: the less-than-enthusiastic response from his daughter, learning to run his corporation remotely, but hes thrown for a loop when his new housemate, Rielle, is a whole lot sexier, funnier and sassier than he remembered. Rielle Wetzler has finally overcome the stigma of having hippie parents and being a young single mother. In the two years since she sold her ailing B&B to Gavin Daniels, shes become financially stable running the homespun businesses she loves. But now Gavin is in Sundance to claim the house thats rightfully his. Although Rielle knew this day would come, she isnt prepared to leave the home she built for herself and her now-grown daughter. And to further complicate matters, her long-dormant libido is definitely not ready to live with this newly buff Gavin - who isnt a cowboy, but has the take-charge attitude to prove hes all McKay. Sharing a roof, their troubles and their triumphs is too much temptation, and before long, Gavin and Rielle are sharing a bed. But sharing their hearts and lives forever? Thats a whole nother ball of wax. Warning: Contains a feisty, independent heroine who doesnt need a man to take care of her needs outside the bedroom and a sweet, sexy and bossy hero whos up to the challenge of proving her wrong

Gone Country (Rough Riders, Band 14) Lorelei James ISBN: Last year I stumbled on this series and binge read the first 13 books in this series, plus two. I'm lucky, I just found Lorelei James and her Rough Riders series a while ago, so I haven't been waiting as long as other die-hards for the next. Editorial Reviews. From the Author.
