

## Streets of New York Volume 2

The first installment in this exciting series followed Promise, Squeeze, and Show as they robbed, whored, and fought their way to adulthood on the mean streets of Brooklyn. Now, its a year later. Promise is trying to get out of the gangsta life, but the streets have a powerful call. Squeeze and Show are making out like bandits with their hot new nightclub, the Brooklyn Cafe. Grindin in the streets is no longer an option, but trouble still follows the pair like heat on a sunny day. Staying cool with the cops and the city requires flexing a lot of street muscle, and theyve got too much invested to not use every weapon in their arsenal. Envious of their success, Promise returns to claim what he believes hes owed, causing a rift within the gang a rift so wide that it sets off a war, leaving the participants reeling with deadly losses.
