

**READERS TAKE NOTE:** This is A SHORT STORY. It is intended for the members of Kindle Unlimited who have been requesting me for short, sick, bedtime stories. As part of Kindle Unlimited they are able to download this title for free. If you wish for a longer story to read, please do not purchase any of the White Cover Books (aka F\*cked-Up Shorts range of tales). A good place to start would be The Black Cover Books (for lovers of extreme horror). Karen thought she was married for life but her husband had other ideas. Married for five years and hed been cheating for three of those. Why? Because Karen wasnt adventurous enough in the bedroom department. He got his kicks elsewhere, from a woman prepared to do anything and everything he fancied. He never meant to fall in love with the other woman, it just happened and - as a result - he had to leave his wife... Karens friend Emma took her in and it was here - staying on her couch - that Karen was accidentally introduced to a new, seedier world; fetish clubs with themed rooms catering for all tastes... A club which Emma promised would bring out Karens adventurous side! Expect twists! Expect turns! Expect explicit sexual content! Expect Matt Shaw...
