

La emisora Critica esperaba con euforia la llegada de las fiestas en especial la fecha navidena, esto se debia a que a diferencia de otras emisoras las cuales se concentraban en dar noticias acorde a la epoca festiva, Critica cedia a su caracter distintivo y se veia centrada en dar noticias completamente diferentes tales como asesinatos, crimenes de corrupcion y suicidios todo esto en tono de ironia y discordia lo cual los habia vuelto tan exitosos en los ultimos diez anos. Su fundador Armando Botana durante todo el ano estaba ausente centrado exclusivamente en sus actividades empresariales, pero el 24 y 25 de diciembre de todos los anos el en persona se encargaba de ejercer como locutor, seleccionando asi a las mejores historias y relatos, estando pendiente de los casos policiales y primicias, destinando un programa en vivo de 12 horas divididas en dos programas de 6 horas llamado Hoy nadie se salvara, el junto a su Dj Allison Lowell transmitian sin problemas, destinando un grupo seleccionado de locutores y periodistas que trabajaban para la cadena quienes durante esa noche realizarian trabajo de campo buscando las mejores noticias sobre casos sangrientos que transcurrieran en esa noche, y asi comienza su programa: Felices fiestas para todos los habitantes de New York, no solo a la ciudad sino a todo el estado, y a partir de ahora estaran siendo acompanados por mi Armando Botana, el unico locutor que solamente trabaja dos veces al ano, adelante rian, ademas esta conmigo la bella Dj Allison Lowell quien estara acompanandonos con musica. A partir de ahora preparense para mas casos sanguinarios y esten atentos a la radio ya que ocurriran esta misma noche.
