

Holidays Are Hell

This holiday, spend quality time with family and loved ones living and dead... There's no place like home for the horror days unless you'd prefer a romantic midnight walk through a ghost-infested graveyard... or a haunted house candlelight dinner with the sexy vampire of your dreams. The (black) magical season is here and whether it's a solstice seance gone demonically wrong with the incomparable Kim Harrison, a grossly misshapen Christmas with the remarkable Lynsay Sands, a blood-chilling-and-spilling New Year's with the wonderful Marjorie M. Liu, or a super-powered Thanksgiving with the phenomenal Vicki Pettersson, one thing is for certain: in the able hands of these exceptional dark side explorers, the holidays are going to be deliciously hellish!
