

# How the Dead Dream

As a wealthy, young real-estate developer in Los Angeles, T. lives an isolated life. He has always kept his distance from people from his doting mother to his crass fraternity brothers but remains unaware of his loneliness until one night, while driving to Las Vegas, he hits a coyote on the highway. The experience unnerves him and inspires a transformation that leads T. to question his business pursuits for the first time in his life, to take a chance at falling in love, and finally to begin breaking into zoos across the country, where he finds solace in the presence of animals on the brink of extinction. A beautiful, heart-wrenching tale, *How the Dead Dream* is also a riveting commentary on individualism and community in the modern social landscape and how the lives of people and animals are deeply entwined. Judged by many including the Los Angeles Times and The Washington Post Book World to be Millet's best work to date, it is, as Time Out New York perfectly states: This beautiful writer's most ambitious novel yet, a captivating balancing act between full-bodied satire and bighearted insight.

Millet proves no less lyrical, haunting or deliciously absurd in her brilliant sixth novel than in her fifth, the acclaimed *Oh Pure & Radiant Heart*. Debbie said: I had so much trouble writing this review and I finally figured out why. I went into thi This may explain why Lydia Millet's novel *How the Dead Dream* (2008) impressed me so deeply well, that and the fact that it's a brilliant book. Buy *How the Dead Dream* on ? FREE SHIPPING on qualified orders. Her latest, *How the Dead Dream*, is a deceptively quiet novel about T., a real estate developer who, as Millet put it via email recently, fetishizes actual dollar bills. Buy *How the Dead Dream* by Lydia Millet from Amazon's Fiction Books Store. Everyday low prices on a huge range of new releases and classic fiction. Millet's empathetic and angry new book, *How the Dead Dream*, takes up many of the themes from *Oh Pure and Radiant Heart*, exposing as it *How the Dead Dream* begins with a young boy, T., who is obsessed with money. As he grows up, he becomes a fervent capitalist and real estate developer. But the developer at the center of *How the Dead Dream* undergoes a conversion. He doesn't so much renounce his vocation as
