

Judas Silver: An Adventure Novel

Someone is stealing the cursed thirty coins paid to betray Christ. Disturbed by these events, the Vatican hires our hero, antiquities thief, Trey Jordan. Treys mission is simple: find the coins first. And to combat the dark power contained within the cursed coins, Trey will be entrusted with a powerful weapon of his own, a weapon hidden deep with the Vaticans secret vaults. As the adventure begins, he will team up with a past lover, the beautiful numismatist Eve Roberts, a coin collector herself and owner of one of the cursed Judas Coins. Their search begins with a famous sunken ship and will lead to a bizarre castle located in the middle of a Scottish loch. And waiting at every turn is the mysterious Draken, whose dark power multiplies with the acquisition of each new coin.
