

Losinj Island 1:20,000 (Croatia) Hiking Map

Losinj Island 1:20,000 (Croatia) Hiking Map The island of Losinj on the Adriatic coast of Croatia on a double-sided, contoured and GPS compatible map at 1:25,000 from the Croatian Mountain Rescue Service, highlighting hiking paths, including trails on the southern part of Cres and on the nearby islands of Unije, Susak and Ilovik. Contours at 10m intervals enhanced by relief shading provide excellent presentation of the terrain, with markings for various topographic features. Waymarked hiking paths are prominently highlighted. Symbols indicate tourist accommodation, including campsites, restaurants, beaches, climbing sites, petrol stations, etc. The map has a 1km UTM grid, plus latitude and longitude lines at 1 intervals. Map legend includes English.

Enjoy the many walking and hiking trails to be found on the island of Losinj. Be adventurous, enjoy the clean air, and benefit from the islands healing properties. 138 items Plan your trip to Croatia with Stanfords, we have Croatia Travel guides, Maps, Travel Latsovo Island on a contoured and GPS compatible map at 1:20,000 from the Croatian Outdoor Hiking map of Dubrovnik by Croatian Mountain Rescue Service at Losinj Island Croatian Mountain Rescue Service 25K Map.
