

# Martin and John

Dale Peck's debut is a tour de force of shifting identities in which Martin and John find each other again and again: in a trailer park, a high-end jewelry store, a Kansas barn, and later, in New York City, living under the shadow of the AIDS epidemic. Though their names remain the same, their identities are constantly shifting, creating a fractured view of loss and desire in the early years of the AIDS crisis. Vaulting through self and history, *Martin and John* is one of the most remarkable novels to emerge from an America ravaged by disease, and one of the finest and most complex love stories of the 90s. *Martin and John* is the first volume of *Gospel Harmonies*, a series of seven stand-alone books (four have been written) which follow the character of John as he attempts to navigate the uneasy relationship between the self and the postmodern world. From the Trade Paperback edition.

Abraham, Martin and John Written by Dick Holler I cant recall who first outlined for me the distinction between art of its age and art for the Abraham Martin And John Lyrics: Anybody here seen my old friend Abraham? / Can you tell me where hes gone? / He freed lotta people but it seems the good Dion DiMucci helped lift the countrys spirits with his haunting version of Abraham, Martin and John, which he recorded in 1968.
