

Moon Living Abroad in Costa Rica

Erin Van Rheenen, the expert on relocating to Costa Rica, has made the move herself and provides insight and first-hand advice to navigating the language and culture of this beautiful country. Van Rheenen outlines all the information needed in a smart, organized, and straightforward manner, making planning the move abroad manageable. Moon Living Abroad Costa Rica makes the moving and transition process easy for businesspeople, students, teachers, retirees, and professionals. Moon Living Abroad Costa Rica is packed with essential information and must-have details on getting established abroad, including how to obtain visas, ways to arrange finances, tips on gaining employment, advice on choosing schools, and where to find health care. This relocation guide also includes practical advice on how to rent or buy a home for a variety of needs and budgets, whether its a condo in the San Jose suburb of Escazu, a wooden house in coastal Tortuguero, or a mountain retreat with a view of Arenal Volcano. All Moon Living Abroad Guides include color photos, black-and-white photographs, black-and-white illustrations, and maps.
