

The Brighton to London line. The 7:44 am train. Cars packed with commuters. One woman occupies her time observing the people around her. Opposite, a girl puts on her make-up. Across the aisle, a husband strokes his wife's hand. Further along, another woman flicks through a glossy magazine. Then, abruptly, everything changes: a man collapses, the train is stopped, and an ambulance is called. For at least three passengers on the 7:44 on that particular morning, life will never be the same again. There's Lou, in an adjacent seat, who witnesses events first hand. Anna, who's sitting further up the train, impatient to get to work. And Karen, the man's wife. Telling the story of the week following that fateful train journey, *One Moment, One Morning* is a stunning novel about love and loss, about family and – above all – friendship. A stark reminder that, sometimes, one moment is all it takes to shatter everything. Yet it also reminds us that somehow, despite it all, life can and does go on.
