

# Handcrafted Frames

Transform ho-hum frames into exquisite showpieces with the eye-catching, easy-to-make projects in this book! From fast and simple to stylish and smart, these frames are great for gift giving and perfect for adding a personal touch. Many designs are so simple, they can be completed in an hour or two. Seventeen projects include a shimmery mosaic frame, a sophisticated leopard-print frame, and an embossed metal frame. Dress up ready-made frames, make custom-fit frames, or turn old frames into new conversation pieces. Embellish with items already on hand, such as beads, chains, paints, sequins, trims, and fabric scraps. Easy techniques for all skill levels include embossing, laminating, and personalizing frames with computer images.
