

My Guardian Angel

Part of an irresistible collection of five tales from today's finest romance authors, *Almost An Angel*, by genre superstar Kay Hooper, tells the disarming story of one very lucky--and very handsome--British agent. He's a man with a most desperate mission: to find the beautiful stranger who miraculously rescued him...then vanished as quickly as she appeared. What he remembered most clearly was that she possessed luminous eyes and the sweetest voice this side of heaven. Now he can only wonder whether he will look into those eyes or hear that voice again. If he does, this customarily attentive gentleman will not be so careless as to let his gorgeous rescuer out of his sight--that is, if he even lets her out of his arms.
