

Q Road: A Novel (Mysteries & Horror)

Combining the modern-farm-life realities of Jane Smiley's *A Thousand Acres* with the quirky humor and eccentric characters of Carolyn Chute's *The Beans of Egypt, Maine*, *Q Road* is a charming debut from Bonnie Jo Campbell. Greenland Township, Michigan: On the same acres where farmers once displaced Potawatomi Indians, suburban developers now supplant farmers and prefab homes spring up in last year's cornfields. All along *Q Road* or *Queer Road*, as the locals call it, the old, rural life collides weirdly with the new. With a cast of lovingly rendered eccentrics and a powerful sense of place, *Q Road* is a lively tale of nature and human desire that alters the landscape of contemporary fiction.
