

Emma Victor, the witty, intrepid heroine of the acclaimed *She Came Too Late*, is hot on the trail of Lana Flax, her best friend's kid sister, a onetime physics prodigy turned member of the yellow-clad cult of the Vishnu Divine Inspiration Center. When Lana finally turns up—dead—Emma begins to wonder if cult members turn on with something stronger than yogurt and higher consciousness. Mary Wings was born in Chicago and now lives in San Francisco. She is the author of four other Emma Victor Mysteries: *She Came Too Late*, *She Came by the Book*, *She Came to the Castro*, and *She Came in Drag*. She is also the author of *Divine Victim*.
