

Rambles in Yucatan: Or Notes of Travel Through the Peninsula, Including a Visit to the Remarkable Ruins of Chi-Chen, Kabak, Zayi, and Uxmal (Classic Reprint)

Excerpt from Rambles in Yucatan: Or Notes of Travel Through the Peninsula, Including a Visit to the Remarkable Ruins of Chi-Chen, Kabak, Zayi, and Uxmal To those who intend to bestow upon the following pages the honor of a perusal, it may seem almost supererogatory for the author to mention, that it has formed no part of his purpose to prepare a book which should owe its leading interest to its literary merits. His life has been necessarily more devoted to the dissemination of books than to the study of their internal fabrication; he has had but slender Opportunities for the cultivation of letters, and little of the preparation requisite for a task, to the results of which he now solicits the candid consideration of the public.
