

Storytelling as a fundamental human impulse, one that announces itself at the moment, hidden in infancy, that dreams begin—this is what the poet and critic Randall Jarrell set out to illuminate in this extraordinary book. Here Jarrell presents ballads, parables, anecdotes, and legends along with some of the finest work of Chekhov, Babel, Elizabeth Bowen, Isak Dinesen, Kafka, Peter Taylor, and Katherine Anne Porter. This wonderful anthology, with its celebrated introductory essay, enlarges and deepens our perception of the storytellers art and its central place in the world of our feelings.

Contents
RANDALL JARRELL:
Introduction
