

Rising Son (Star Trek: Deep Space Nine)

Months ago, young Jake Sisko came upon a mysterious prophecy in the ruins of Bhala, one that told of a Son destined to enter the Celestial Temple of the Prophets and return home with a lost Herald. Certain that the ancient text was intended for him, Jake entered the wormhole to bring back his father, Captain Benjamin Sisko -- missing since his final, fateful confrontation with Gul Dukat in the Fire Caves of Bajor. But Jake's quest has failed. Or so he believes. Flung across the galaxy by a power beyond his understanding, Jake is rescued by a strange ship with an even stranger alien crew. Joining them on a voyage unlike any he has ever experienced, Jake learns that his search for the truth will lead him to find the last thing he ever expected, and to discoveries far beyond his wildest imaginings.
