

Post mortem (Kay Scarpetta Mysteries) (Spanish Edition)

Al amparo de la noche, un brutal asesino esta actuando en Richmond, Virginia, sin dejar mas rastro que una horrible serie de estrangulamientos. Tres mujeres han aparecido salvajemente asesinadas en sus propios dormitorios. No hay ningun patron de conducta, mas alla de que el responsable de estos crimenes deja muy pocas pistas y actua siempre los sabados de madrugada. De manera que cuando la doctora Kay Scarpetta, jefa del Departamento de Medicina Legal de la ciudad, recibe una llamada a las dos y media de la madrugada, supone que algo grave ha sucedido: hay una cuarta victima. Y se teme que a esta le seguiran otras, a menos que ella logre recabar nuevas pruebas que ayuden a la policia. Kay Scarpetta recurrira a los ultimos avances en la investigacion forense para desenmascarar al maniaco, y tendra que verselas con aquellos que quieren sabotear su trabajo y arruinar su reputacion, y es que no a todo el mundo le agrada ver a una mujer en un puesto tan influyente. Post mortem fue el primer titulo protagonizado por la doctora Kay Scarpetta que publico Patricia Cornwell. Por esta novela recibio multiples premios literarios y con ella comenzo una de las series de novela criminal mas exitosas de todos los tiempos.

/ In Richmond, under the cover of Saturday nights, a human monster strikes, leaving a gruesome trail of stranglings that has paralyzed the city. Medical examiner Kay Scarpetta suspects the worst: a deliberate campaign by a brilliant serial killer whose signature offers precious few clues.
