

Seven #6 : Envy (Zenescope Entertainment)

Acclaimed writer DAVID MACK (Kabuki, Daredevil) pens the 6th installment of the intriguing hit series - SE7EN! With incredible artwork by Leif Jones! John Doe is at a crossroads as he struggles to remember his past, the man he was before his rebirth. He knows he is losing grip on the memories of his former life. Doubt creeps into his mind: why was he chosen? Is this the right path? This doubt fuels his need to remember the man he used to be. Consuming him enough that he begins to envy the life of the young detective that is on his trail. But when his own sin triggers an incredible revelation, the true meaning of his work is finally realized. It has all come together as his purpose finally becomes crystal clear. His work will be studied, puzzled over and followed...Forever.
