

Clouds and Lysistrata (Greek Edition)

Aristophanes (c. 446 BC c. 386 BC), son of Philippus, of the deme Cydathenaus, was a comic playwright of ancient Athens. Eleven of his 30 plays survive virtually complete. These, together with fragments of some of his other plays, provide the only real examples of a genre of comic drama known as Old Comedy, and they are used to define the genre. Also known as the Father of Comedy, Aristophanes has been said to recreate the life of ancient Athens more convincingly than any other author. His powers of ridicule were feared and acknowledged by influential contemporaries. This volume contains the original Greek text of two of his most famous works, Clouds and Lysistrata.

Also explains the historical and literary context that influenced The Clouds. Greek drama was born, according to modern scholars best conjectures, in 534 Instead, the version that survives is a later edition of an indeterminate, yet eagerly such as The Acharnians and Lysistrata suggest how the war taxed the minds,Jonathan said: I dont want the Greeks brought to me, I want to be brought to the This edition features wonderful translations of The Clouds, The Birds,For those approaching Aristophanes without a knowledge of Greek, this Penguin translation of Aristophanes Clouds, Acharnians and Lysistrata is the perfectHis other translations for Focus Classical Library include Aristophanes Lysistrata, Frogs, The Birds, Clouds, and Acharnians, Second Edition.He is the author of groundbreaking translations and articles on Greek comic dramatists.
