

## Star Wars: Dark Force Rising (1997) #6 (of 6)

It all comes down to this, a showdown over the Katana fleet. The Rebels and Imperials have both located the abandoned Dreadnaughts, and each is looking to outgun the other, take the fleet, and direct the galaxy to their way of thinking. Odds this round are on Grand Admiral Thrawn. He has a trick up his sleeve, one not seen since the end of the Clone Wars. One that could spark a second round of the Clone Wars!
