

Fresh from winning the Best Serialized Story 1999 Eisner Award for Grasscutter, Stan Sakai returns with a new Usagi Yojimbo collection featuring six tales of the ronin rabbits journeys and adventures in feudal Japan. My Fathers Swords retells an encounter with a young samurai who follows in-and is followed by-the footsteps of his fathers warrior heritage. In The Demon Flute, a village is plagued by a music-playing supernatural killer. Usagi recounts a classic Japanese folk tale in Momo-Usagi-Taro. Two Tokugawa-era whodunits play out in The Hair Pin Murders and Tameshigiri, a pair of Inspector Ishida mysteries. Usagi becomes entangled in a conspiracy to overthrow a lords throne in The Courtesan. Memory, mystery, and treachery intermingle to form Grey Shadows.
