

Sugar Daddy (Sugar Bowl)

Sela Halstead lost her innocence in a way that no sixteen-year-old should ever have to endure. She's spent years trying to forget that night, even while wondering about the identities of the monsters who brutalized her—until a telltale tattoo flashes across Sela's TV screen. The incriminating ink belongs to Jonathon Townsend, the millionaire founder of The Sugar Bowl, a website that matches rich older men with impressionable young women. Obsessed with revenge, Sela infiltrates Townsend's world, only to come face-to-face with a tantalizing complication: Beckett North, his charismatic business partner. The tech mastermind behind The Sugar Bowl, Beck always gets what he wants, in business and in bed. And yet, for a man who's done every dirty thing imaginable, there's something about the naive, fresh-faced Sela that sparks his hottest fantasies. Because with her, it's not just about sex. Beck opens up to her in ways he never has with other girls. So why does he get the feeling that she's hiding something? In a world of pleasure and power, the shocking truth could turn them against each other—or bind them forever. Contains mature themes.
