

From the winner of the 2011 Man Booker Prize for Fiction comes a novel of profound insight and comic flare. Shy, sensible banker Stuart has trouble with women; that is, until a fortuitous singles night, where he meets Gillian, a picture restorer recovering from a destructive affair. Stuarts best friend Oliver is his complete opposite - a language teacher who talks like a dictionary, brash and feckless. Soon Stuart and Gillian are married, but it is not long before a tentative friendship between the three evolves into something far different. Talking it Over is a brilliant and intimate account of loves vicissitudes. It begins as a comedy of errors, then slowly darkens and deepens, drawing us compellingly into the quagmires of the heart.

Witnesses and Troublemakers, Robert Blochs Yours Truly, Jack the Ripper, Miniature Rider Waite Tarot Deck, The Execution: A Jeremy Fisk Novel (Jeremy Fisk Novels Book 2), Teen Titans Vol. 5: Life and Death,
