

## Testigo de cargo (Bolsillo) (Spanish Edition)

Agatha Christie, la indiscutible reina del crimen, reúne en este completo volumen nueve de sus más apasionantes relatos de misterio, intriga y suspense: Testigo de cargo -que da nombre al volumen-, La señal roja, S.O.S., ¿Dónde está el testamento?, El misterio del jarrón azul, Villa Ruisenor, Accidente y El segundo gong. **ENGLISH DESCRIPTION** A young married man spends many evenings. With a rich old woman. When she is found murdered, the naive young man is the chief suspect. The testimony of his wife is expected to result in an acquittal, but she is a shrew who damages his case and all but hangs him before a vindictive mystery woman appears with letters against the wife. After the man is freed, it is revealed that mystery woman is actually the wife. She discredited and perjured herself because she felt that direct testimony on her husband's behalf would not have been sufficient to free him. When he turns his back on his wife and goes off with another woman, we realize that he was the murderer. He does not get away it, for there is one turn of plot remaining.
