

Skiing Switzerland on a budget

Lets face it skiing is expensive and often one of the issues when you are planning a trip is just making the money you have saved go as far as possible. So where do you go and what do you do? With a limited budget and limited time you want to make the trip the best it possibly can be and that is where this book fits in. Switzerland has some of the best skiing in the world - and also some of the highest peaks in the alps. When you think of Switzerland you think of places like St Moritz, Zermatt and Verbier. And when you think of these places you not only think of amazing skiing - but also amazing prices. However this need not be the case and even in the most upmarket resorts it is still possible to stay relatively cheaply.

Skiing in Switzerland is not cheap. But you can save money by staying in hostels, booking multi-day lift tickets, and bringing your own gear and Answer 1 of 24: Hi, my husband and I are intermediate skiers.
