A murderous chess match set in the northwest Louisiana city of Shreveport between Bill Greyson and Detective Sgt. Jimmy Broussard has the metropolitan area of a quarter of a million people living in terror. Greyson's ability and unlimited number of targets allow him to stay one step ahead of Broussard and the mass of federal, state and local police efforts. Bill Greyson is fixated on a fanatical desire to stop automobile cell phone users. His tiny family has recently been killed by a distracted cell phone driver and he intends to motivate people to change through terror, literally at the point of a gun. South Louisiana born Broussard is tasked with trying to end the systematic and seemingly unstoppable Greyson murder spree. Things heat up when profiler Dr. Karen Franks and Broussard meet. Greyson's moves lead to checkmate, but for whom?
