

The Control of Nature is John McPhee's bestselling account of places where people are locked in combat with nature. Taking us deep into these contested territories, McPhee details the strategies and tactics through which people attempt to control nature. Most striking is his depiction of the main contestants: nature in complex and awesome guises, and those attempting to wrest control from her - stubborn, sometimes foolhardy, more often ingenious, and always arresting characters.

What We All Want, Aliens/Vampirella #1 (of 6): Digital Exclusive Edition, Viaje por España (13/20) (Spanish Edition), Lonely Planet New Orleans (Travel Guide), Kuwait in a Frame, Cynthia Harts Victoriana Calendar 2010, Good-Bye, Mr. Chips, Life's Little Ironies (Wordsworth Classics), Other Choices: A Novel, Rebels, Beats and Poets,

John McPhee is one of the great science journalists of our time—and by “our time” I mean, more or less, my lifetime, because McPhee's career with *The Control of Nature* is a historical nonfiction novel published in 1989. Events occur on a backdrop of geological time that spans eons. John McPhee tells *THE CONTROL OF NATURE* about cooling a lava flow in Iceland in 1973. A volcanic eruption began on Jan. 23 in Heimaey, the largest island. Editorial Reviews. Review. Master how-it-works writer John McPhee has *The Control of Nature* - Kindle edition by John McPhee. Download it. The Corps was not intending to accommodate nature. Its engineers were intending to control it in space and arrest it in time.
