

The Foundation Pit (European Classics)

Once known only to a small circle of admirers in Russia and the West, Andrey Platonov (1899-1951) has emerged to assume his rightful place as one of the major Russian writers of the twentieth century. Set during a small Russian town during the forcible collectivization of agriculture, *The Foundation Pit* portrays a group of workmen and local bureaucrats engaged in digging the foundation pit for a grand building where all the towns will live happily and in silence.
